Let's make the sleep experience МАТЯ for
your guests, and for the planet.

ENDING MATTRESS WASTE.

Our founders decided it was time to put the huge mattress waste problem to bed. That's why МАТЯ was born.

МАТЯ.

FOR PEOPLE AND PLANET.

With our innovative mattress solution, we save hotels time, money and CO2 all whilst enabling them to provide a premium sleep experience for their guests.

WHY DOES MATЯ, MATTER?

30 million mattresses end up as waste every year in Europe. That's equivalent to 20,000 stacked Eiffel towers.

53% of travellers get annoyed if where they are staying stops them from being sustainable.

98% of guests say the mattress is their first priority for their overall comfort and stay satisfaction.

Together, let's create sleep experiences that МАТЯ.
